INTRODUCTION

The **Directory of Nova Scotia Libraries** is a comprehensive listing of libraries and archival institutions in Nova Scotia. Compiled annually by the User Services Section of the Nova Scotia Provincial Library, it is intended to be a source of information on Nova Scotia Libraries and related institutions.

The entries in the Directory are arranged alphabetically by organizational name. Appendices include: a detailed index, a listing of National Library Codes, an address listing of local and regional library associations, school boards, and NS Dept. of Education Resource Centres.

Libraries and archival institutions in the province are surveyed annually to keep this Directory current.

The Directory is available as a searchable database and as a PDF document at **http://dnsl.ednet.ns.ca/**

Please direct any **comments, questions or update information** for the directory to:
